Plumber's checklist

Make sure:

- **This form is fully completed;**
- **Mark ups completed on latest site & floor plans;**
- **Red pen is used for marking up;**
- **Plans are scanned in colour if emailed;**
- **Latest CAD files supplied;**
- **All pipe work is clearly marked accurately, materials noted and pipes sized**
- **Prefabricated building projects will require compliance certificates for the prefabricated building to be provided for submission to the local authority to support the compliance permit application.**

Read the following

Temporary services plan documentation is prepared as a drafting service only and is based on information received from the plumber. The accuracy of the information produced by Aqualogical should be confirmed by the plumber. Aqualogical does not accept any responsibility for any errors or omissions. Any errors or omissions requiring drawing alteration will be charged in accordance with the above fee structure.

Payment Terms

The Client agrees to pay all amounts due in clear funds prior to release of documentation, or 7 days (pre-approved accounts only).

In the event where this agreement has been entered into by more than one party each party shall be jointly and severally liable for any amounts overdue
