| <input type="checkbox"/> Water supply | <input type="checkbox"/> Pumps |
| <input type="checkbox"/> Water mains | <input type="checkbox"/> Temperature gauges |
| <input type="checkbox"/> Water meter | <input type="checkbox"/> Temperature setting |
| <input type="checkbox"/> Isolating valves | <input type="checkbox"/> Pipe sizes |
| <input type="checkbox"/> Non return valves | <input type="checkbox"/> Pressure gauges |
| <input type="checkbox"/> Expansion valves | <input type="checkbox"/> Expansion loops |
| <input type="checkbox"/> Relief valves | <input type="checkbox"/> Flow direction |

5. Commissioning Agent Information

Installer Name

Address

ABN

Contractor's Licence number

6. Installer Information

Installer Name

Address

ABN

Contractor's Licence number

7. Company to be invoiced

Name

Contact

Address

ABN

8. Please nominate preferred fee structure

- Standard Rate \$120.00 +gst per Hour – Minimum 1 hr (Allow 3 working days)
- Fast Track Rate \$180.00 +gst per Hour – Minimum 1 hr (If required in less than 3 working days)
- Please tick if a USB is required (No Charge)
- Please tick if a Full size set of prints is required (No Charge)

9. Date plans required

..... / .. / ..

10. Authority to Proceed

I, having authority to commit, agree to the proposed fee, and nominated fee structure for the above-mentioned project

Signature

..... Date

Aqualogical Pty Ltd (the company) & (the client) as named above, understand this is a contract. This application must be completed in full in order to proceed with your project. If you sign this document you will be bound by its terms. Copy of full terms & conditions available on request.

Plumber's checklist

Make sure:

- This form is fully completed;
- Red pen is used for marking up;
- Items to be deleted are marked with pen, not white-out;
- Plans are scanned or photographed in colour if emailed;
- Latest CAD files supplied if from external consultant;
- All pipe work is clearly marked accurately.

Read the following

Heated water system diagrams are prepared on information received from the plumber. The accuracy of the information produced by Aqualogical shall be confirmed by the plumber. Aqualogical does not accept any responsibility for any errors or omissions. Any errors or omissions requiring drawing alteration will be charged in accordance with the above fee structure. The more accurate the information you provide is, the more accurate the documentation we produce will be.

Payment Terms

The Client agrees to pay all amounts due in clear funds prior to the release of documentation, or 7 days (pre-approved accounts only). In the event where this agreement has been entered into by more than one party each party shall be jointly and severally liable for any amounts overdue
